The UWA Pantomime Society Presents

The Snow Queen's Heir

December 19-21st 2014
Dolphin Theatre
WHAT IS PANTO?

PantoSoc has a proud history of putting on high-quality productions at UWA since 2003. The pantomime style dates back to classical theatre. It is a traditional British form of theatre that features audience interaction, so feel free to heckle with phrases such as “He's behind you!” and “Oh no you're not!”

KEEP IN TOUCH!

We perform three original shows every year: one each semester, and a family-friendly Christmas show in December, with proceeds going to charity, because we’re nice guys.

To keep up to date with our latest events, add us on Facebook or visit uwapanto.com.au. We also have a Youtube with past shows and behind the scenes extras over at youtube.com/uwapanto. You can email us anytime at uwapanto@gmail.com with any questions!

THE SNOW QUEEN’S HEIR
The reign of the Snow Queen is coming to an end, but with no children to succeed her, the responsibility has been presented to her favourite snow man - the friendly Olaf. Snow ruling over snow - it seems like the perfect solution! That’s until word of the plan gets to the Sun Realm, where the power hungry son of the Sun King (the Sun Son), seizes the opportunity to turn the Snow Realm against their future leader. Using his evil mirror, he can weaken the Snow Realm and take it over. Can Olaf prove himself and win the love of the realm before it’s too late?

This is an all new story, but you’ll recognise some of your favourite elements from both Hans Christian Andersen’s The Snow Queen, and Disney’s Frozen!

All proceeds from the Snow Queen’s Heir go towards our chosen charity, Redkite. We will also be accepting donations on their behalf in the foyer after the show. Providing essential support to children, young people and their families through cancer has remained Redkite’s single focus for over 30 years.

Redkite is available with real and practical support from the moment of diagnosis, throughout treatment and when families return home to the community. Redkite’s support services include financial assistance, emotional support and education assistance. Financial assistance includes grants to help with expenses and financial counselling. Emotional support in hospitals is provided through social workers and music therapists, and support within the community includes telephone and email counselling, bereavement support and family days.

Redkite receives no government funding and relies entirely on the generosity of the community to provide these important services.

MEET THE CAST!

Avory Allen // Digbee, Christmas Card
Avory makes beanies, but when he makes beanies at pantomime they are the bees-knees.

Jono Astbury // Olaf
Christmas again? Snow problem.
I actually have snow idea what I’m doing.
I snow what you did last Christmas.
You’ve got snow idea what’s coming.
There’s snow way they’re getting away with this.
A pretty smart guy, he’s really in the snow.

Shanii Austin // Hare, Molly the Hat Merchant
Shanii has always dreamed of a white Christmas but could only find instant snow in the cupboards at work ... it’s just not the same.

Ruby Breen // Rubee, Child
Apparently Ruby’s name has been spelled with a ’y’ all along, and she is beeterly disappointed.

Cam Butler // Lighting
Cam is a butt. A big stinky butt.

Cat Coetzer // The Disembodied Voice of the Whispering Wind, Director
Yes.

Steven Correia // Sk8er Boi
Steven is currently in control of all of the society’s money...umm, I mean...what money? We never had any money!!

Sarah Coulton // Willoughbee, Snow Cone Machine Repair Guy Dancer 1, Creepy Bird Understudy
Please don’t make Sarah sing the jingle again, she’s far too bzzy.

Jack Dawson // Accurate Mirror, Bartelbee
Jack Dawson is a normal Human Person just like the many Human People around him, and is definitely NOT the Loch Ness Monster squeezed into a human disguise. Whoever told you otherwise is lying, and is really smelly and mean.

Lewis Graham // Inter-Realm Mirror, Creepy Bird
Lewis wasn’t actually in the pantomime. He just showed up backstage and no one was able to get rid of him.
